Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Why would you want to buy a dental practice? Because you want to have an established income stream. In this concise guidebook, you'll learn the basic math and business terms, along with how dental practice brokers and consultants think about the process, so you can make the best of your goals and dreams! According to author David Gandy, DDS, MBA, it's not that complicated. Once you see the key metrics, there's a cookbook methodology. The main takeaway will be determining how much money you'll take home if you buy a particular practice. You want to compare your actual take-home pay after buying the practice to your other opportunities, such as becoming an associate. With Secrets to Buying Your Ideal Dental Practice, you'll be able to analyze the data to help make a good decision that's right for you. Topics covered include: Key ideas Essential business terms The average dental practice Dental practice valuation Twelve steps to becoming a practice owner More tips on dental practice analysis By walking you step-by-step through the process, this book provides you with the right questions to ask your broker, attorney, and CPA-and gets you moving toward your vision today!.
