## PROTECTING YOUR CHILDREN ONLINE: WHAT YOU NEED TO KNOW ABOUT ONLINE THREATS TO YOUR CHILDREN (HARDBACK)

[DOWNLOAD PDF](#)

ROWMAN & LITTLEFIELD, United States, 2017. Hardback. Condition: New. Language: English. Brand new Book. As parents, our main job is to protect our children. These days, protection from includes not only the individuals we can see but, also, the individuals that we cannot see - yet who wish to harm our children. And with the growth of social networking and social media parents are often unaware of their child's interactions on the internet. Protecting Your Children Online: What You Need to Know About Online Threats to Your Children introduces the crimes that can occur in cyberspace, as well as procedures for reporting and obtaining assistance in the event of victimization. Throughout Kimberly McCabe addresses several types of cyber crimes, ranging from child pornography and solicitation to cyberbullying, cyberstalking, and sexting, giving parents the necessary information they need to protect their children in cyberspace. This book builds on the historical efforts to reduce child abuse in the United States and looks at the limitations of these efforts when attempting to address child abuse in cyberspace. By identifying these different types of cybercrimes against children, and offering the definitions of terms and law enacted to prohibit these crimes, Kimberly McCabe gives possible responses for attempting to end internet crime on a national, international, and personal level. A definite must have for parents who want to be proactive in protecting their child in cyberspace, and those who wish to be better able to protect them from victimization.
